

## 2024 Wychavon Games Results

Many thanks to all of you who have taken part and supported Wick in the Wychavon Games over the last few months.

We certainly excelled ourselves this year by finishing an amazing 4<sup>th</sup> out of 27 villages. An Unbelievable result for one of the smallest villages in the Games and we should all be very proud of. 3 trophies bearing our village name are now in our possession; small parish, winners of the Petanque and runners up in the Junior Table Tennis. I'm very proud of what the captains and their teams have achieved this year and it sets a high target to beat in 2025!

Wick Club will kindly be hosting a celebration night for all villagers on March 7<sup>th</sup> 2025, where there will be a short presentation on this year's successful event. Further information on this event will be publicised nearer to the date and it is hoped that there will be a good turnout of not just the participants from this year's events but anyone who is keen to take part and represent the village in this long standing event (inaugurated in 1978!).
